HELPING TO KEEP YOU AND YOUR STUDENTS SAFE

Modern, future proof & cost effective Admiral Security Lockdown Systems

- 25 years experience dealing with hundreds of schools and educational establishments across the South East.
- Minimal disruption to existing infrastructure of your building(s)
- Totally standalone and separate from your existing security system

Upon activation, we can ensure all staff are alerted to lock all doors belonging to their specific areas and lockout any potential threats to both their own and their students safety until the alleged threats no longer exist.
